SOURCE EVALUATIONS ARE DEFINITIVE. APPRAISAL OF CONTENT IS TENTATIVE.

1. During a conference held in the Prosecutor General's office on 10 March 1955, Henryk Podlaski, the assistant prosecutor general, was criticised for the guidance that he had given to prosecutors and UB (Security Police) investigators. He was immediately dismissed from his post. Podlaski's duties have been divided between two men, one of whom is Kosterko (fnu). 25X1
 2. Kosterko was formerly head of the cadre division of the Prosecutor General's Office, a post now occupied by Prosecutor Masewicz (fnu). Masewicz was a district¹ prosecutor in Olstyn and later served as department head in the central office.
 3. Mady (fnu), director of the control office of the Special Commission, was appointed as assistant to Prosecutor Markowicz in the third section of Department III of the Prosecutor General's Office.
 4. Prosecutor Majster, who is the deputy of Department I, was assigned to the Krakow District¹ for two months to assist in the reorganization of old prosecution files.
 5. The district¹ military prosecutor in Gdansk (Danzig), Urbaniak (fnu), spends two days a week in Warsaw in order to check the files in the chief military prosecutor's office.
1. Comment: The term district presumably refers to wojewodship. 25X1
